The day will feature Mr. Fish Lee, Artist, Publisher, Book and Magazine Distributor from Conway, Arkansas. Mr. Lee, who has TS, has created numerous TS superhero comic books that have become world famous. You will have the opportunity to purchase his comic books and to have him do a caricature of your child.

The day will also feature a panel of young adults named below who will talk to parents and kids about how they made it through to a productive and meaningful life despite their many challenges with TS. Snacks and drinks will be provided and there will be activities for the kids as well.
